Ludington Michigan

What lies behind us and what lies before us are tiny matters compared to what lies within us.

When the golden sun is
setting and the earth you no
more longer tread.

MAY your name be in
gold, and written in the
autograph of God.

It was under his direction that the Louis F. Peterson Performing Arts Center was completed. In addition, the swimming pool, gymnastics area elementary libraries and gymnasiums are also a credit to his personal courage and dedication.

Sometimes we know little about the influences that touch our lives. In his role of superintendent

of the Ludington Area Schools, Mr. Donald Baldwin has left his mark on education in Ludington.

Buildings enhance a school, broaden horizons for a community, and contribute to education, but efforts of the spirit and heart are as lasting as buildings. Mr. Baldwin leaves a school system and community enriched by his leadership and vision.

CAREY JAMES CASTEEL

Born: March 15, 1961

Died: August 5, 1977

I think it is time
I hate to say,
to call the wind
and take you away.

It was short and friends
did cry,
They will remember you as
the years go by.

You were special in many hearts,
and many unforeseen
but the breath of life
was taken away.
Like the wake from a
carey dream.

Your friends are with you
always,
in their thoughts and in their
heart.
They will remember you like
no one else.
For only you can play
the part.

When someone dies

And we are left behind

We feel a great void

And we are left alone

We feel a great void

And we are left alone

More faith and love to give

Such a person as you

We never will

Need it

When someone dies

There's a big void

We can't fill it

It seems like

The shock

We cannot

We try not

We run for our lives

Tears come in sleep

And soon we cease to

We know we can't be

But we still keep asking

Why it had to be

Or anyone at all

Couldn't He

Homecoming 1977

The theme for this years Homecoming was "Future World". Decorations ranged from tinfoil stars to green Martians.

The annual snake dance and Bonfire were held at Oriole Field on Thursday night, October 13th.

Perhaps what made Homecoming twice as special this year was the fact that for the first time in history Ludington had two Homecoming Queens.

The dazzling smiles of our 1977 queens--Karen Seguin and Patty Wicklund are shown on the right.

Seniors won decorations, followed by Juniors, Sophomores, and Freshmen. The week was one which was filled with a special excitement and fun for all of L.H.S.

Below, Seniors proudly display their winning decorations.
